Safeguarding
Part 2: Guidance

Foreword

This Part 2 provides guidance in accordance with the policy set out in Part 1 of this JSP and is sponsored by the Director, Directorate of Children and Young People. It provides policy-compliant business practices which should be considered best practice in the absence of any contradicting instruction. However, nothing in this document should discourage the application of sheer common sense.

Preface

How to use this JSP

1. JSP 834 is intended as a comprehensive framework for the safeguarding of all People in Defence. This JSP will be reviewed at least annually.
2. The JSP is structured in two parts:
 - a. Part 1 - Directive, which provides the direction that must be followed in accordance with statute or policy mandated by Defence or on Defence by Central Government.
 - b. Part 2 - Guidance, which provides the guidance and best practice that will assist the user to comply with the Directive(s) detailed in Part 1.
3. When reading this JSP it is important to note that the word 'must' is used to denote requirements mandated by law in England, the word 'should' is used to reflect requirements mandated by policy and the word 'may' provides discretion for the interpretation of policy.
4. Where the word 'professional' appears, it applies to all staff employed to implement safeguarding procedures and practices whether they are MOD Service or civilian personnel.
5. This document cannot be totally comprehensive and, if there is any doubt, advice should always be sought from DCYP, single Service specialist welfare agencies, and/or the MOD approved social work providers' named lead for Social Work Services, or departmental legal advisers. The Defence Primary Health Care (DPHC) can also provide advice and guidance where families are registered with a DPHC practice.
6. Further information and guidance on safeguarding children and young people is laid out for each of the UK's Devolved Administrations as below:
 - a. **England.** Working Together to Safeguard Children and Keeping Children Safe in Education accessed on the Department for Education's GOV.UK pages.
 - b. **Scotland.** National Guidance for Child Protection in Scotland 2014 accessed on GOV.Scot pages.
 - c. **Wales.** Welsh Government Safeguarding Guidance accessed on GOV.Wales pages.
 - d. **Northern Ireland.** The Co-operating to Safeguard Children and Young People in Northern Ireland and regional core child protection policies and procedures for Northern Ireland accessed on GOV.NI pages.

1 Governance

Defence Safeguarding Children and Young People Boards

1. The Defence Children & Young People (CYP) Board provides the leadership, vision and strategic direction to ensure that all Service CYP have the opportunity to achieve the best possible outcomes. The Chair of the Defence CYP Board is the senior officer to whom the Secretary of State delegates responsibility for Service CYP issues, currently the Commander of the Army's Home Command; the Vice-Chair is the Director Children and Young People (Dir CYP). Full details are contained in DCYP Pol Dir 7.0.1: Defence Children and Young People Board and Steering Group Terms of Reference. The model of Safeguarding Children and Young People Boards is described below at Model 1:

Model 1: Safeguarding Children and Young People Boards

2. The Defence Safeguarding Partnership Board (SPB) is the lead strategic pan-Defence partnership that is responsible for ensuring consistent and rigorous approaches to safeguarding and promoting the welfare of children¹ across Defence². Detailed direction

¹ A child is defined as anyone who has not yet reached their 18th birthday. The fact that a child has reached 16 years of age, is living independently or is in further education, **is a member of the armed forces**, is in hospital or in custody in the secure estate, does not change their status or entitlements to services or protection (Working Together to Safeguard Children 2018).

² Defence in this context is the whole force and includes all children, whether they be dependents of Service personnel, civil servants, contractors, cadets or serving personnel themselves.

and guidance are contained in DCYP Directive 7.0.2: Defence Safeguarding Partnership Board Terms of Reference.

3. The SPB is established under the authority of Commander Home Command in accordance with MOD policy and direction and works within the principles of the Children and Social Work Act 2017 and Working Together to Safeguard Children. The SPB reports to the Defence CYP Board, which in turn is accountable to Comd HC.

4. Dir CYP will appoint an Independent Chair of the SPB. The Chair will have a critical friend role in making certain the Board operates effectively and secures an appropriate independent voice within the wider governance framework of the Defence CYP Board. The Chair is required to act objectively and to distinguish their role as Chair from any day to day role they may hold within the MOD or otherwise.

5. The position of Chair will be reviewed annually and subject to appropriate support and guidance from the Dir CYP.

6. The Defence Safeguarding Partnership Steering Group (SPB SG) is subordinate to, and reports to, the SPB. Detailed direction and guidance are contained in DCYP Directive 7.0.2 and the key functions of the SPB SG are highlighted below:

- a. ensure progress against actions from most recent SPB Record of Decisions; and from the SPB Outstanding Actions Table.
- b. review the SPB Risk Register, identifying additions/changes/deletions requiring SPB action.
- c. review progress against the Priorities of the SPB Business Plan, identifying appropriate performance shadings against Sub-Priorities, Priorities, and the overall Plan.
- d. identify additions/changes/deletions to the SPB Business Plan requiring SPB action/endorsement.
- e. monitor outcomes for children and the effectiveness of safeguarding arrangements through performance management, data analysis, audit and case review findings.
- f. coordinate and recommend actions for safeguarding improvement to the SPB.
- g. report on safeguarding effectiveness to the SPB.
- h. assess any significant changes to national legislation or best practice that may impact on SPB activity.
- i. identify any significant issues requiring executive action that cannot wait for the next SPB, initiating out-of-committee action as required.

Local Safeguarding Children Partnerships (LSCPs)

7. Overseas commands supporting children should establish a LSCP for their command/unit. Where this is unachievable a single point of contact (SPOC) for safeguarding should be established who can report into the SPB SG. Detailed direction

and guidance on LSCPs are contained in DCYP Directive 7.0.2. The key functions of LSCPs are to:

- a. monitor outcomes for children and the effectiveness of overseas safeguarding arrangements through performance management and data analysis.
 - b. coordinate and agree actions for safeguarding improvement.
 - c. identify any significant issues requiring executive action that cannot wait for the next SPB SG, initiating out of committee action as required.
 - d. ensure progress against actions from most recent LSCP Record of Decisions; and Outstanding Actions Table.
 - e. review the LSCP Risk Register, identifying additions/changes/deletions requiring SPB SG action.
 - f. provide a quarterly report on safeguarding effectiveness to the SPB SG.
 - g. provide a quarterly data return to the SPB SG on numbers of children and safeguarding related concerns.
 - h. provide an annual report on the work of the LSCP to the SPB.
8. LSCPs report directly to the SPB SG, which in turn is accountable to the SPB. Chairs are afforded the opportunity to attend and report on local progress and issues to the SPB SG, although reporting will ordinarily be through a command representative.
9. LSCPs will need to determine their own meeting schedules which should follow the battle rhythm of the SPB SG and not be less than every quarter.

Defence Safeguarding Adult Forum

10. **The Defence Safeguarding Adult Forum.** The MOD Safeguarding Adult Forum reports to the Specialist Welfare Delivery Group which feeds into the Service Welfare Steering Group. The Terms of Reference are available by emailing the Head of Service, Mental Health Social Work, Defence Primary Health Care at: SGDPHC-DMHG-Multiuser@mod.gov.uk.

2 Roles and Responsibilities

Commands / Commanders / Heads of Establishment

1. All Commands / Commanders / Heads of Establishment are responsible for the welfare, safety and safeguarding of their personnel and, whilst overseas, dependent family members, in accordance with Defence policy. All overseas locations are to have a named Designated Allegations Officer and a named Designated Safeguarding Lead to enact the responsibilities laid out in Part 1 of this JSP.
2. Every commanding officer/head of establishment are to have an establishment level safeguarding policy which includes the commanding officer's Policy Statement, based on the template at Annex A.

Single Service Welfare Providers

3. Royal Navy Family and People Support (RN FPS).

- a. The purpose of RN FPS is to support Royal Navy and Royal Marines personnel and their families by helping to prevent or reduce the effects of personal difficulties especially those which arise as a result of Service life. As a non-statutory agency, RN FPS will both liaise directly with and work in partnership with the relevant local authority with regard to safeguarding matters. For overseas families and serving personnel, RN FPS will liaise with MOD contracted social work services.
- b. RN FPS provides directly or with other agencies, advice, counselling support (practical and emotional) and advocacy (contacting officials) on behalf of Service families. These services are available to serving individuals, couples or families wherever they are located.
- c. RN FPS employs registered social workers, trained field workers and community workers both Service and civilian. They offer a comprehensive and confidential social work and Community Support service, which includes outreach and youth development.
- d. Where possible RN FPS should be represented on LSCP on matters of safeguarding children and adults at risk.

- e. The RN FPS may be contacted at:

4. **The Army Welfare Service (AWS).**

- a. The AWS provides confidential, comprehensive and professional support to Service personnel and entitled family members. The AWS does not provide the statutory social work service which is provided by local authorities in the UK and by MOD contracted social work services overseas.
- b. The service incorporates a personal support element, which supports individuals and families who approach the service for assistance. They provide professional, structured support on subjects including relationships, accommodation, childcare, emotional wellbeing, domestic abuse and violence.
- c. AWS also incorporates a community support element, the aim of which is to secure or directly provide community support and learning opportunities wherever military personnel and their families are living. This is provided through community centres, Early Years settings, and youth/ play work centres, delivering activities for children, young people and families throughout the year. This will, where possible, include holiday schemes at Garrison, or Station level, as appropriate.
- d. AWS representation on LSCPs is primarily to ensure effective collaborative working between itself and its partners on the boards. A secondary function is to disseminate information across MOD where required.
- e. The AWS is the principal provider of second-line specialist welfare support to the Army. It provides confidential, comprehensive and professional support to Army personnel and their families.
- f. Where there are concerns about the safety of a child, AWS should be consulted by unit staff to facilitate contact with statutory social care services, providing advice to the Chain of Command and giving support to the family.
- g. For Personal Support matters contact with AWS can be made either through the:

5. Royal Air Force (RAF) Personal Support and Social Work Services (PS&SWS).

a. The PS & SWS work closely with Personnel Management staffs, Medical Officers, Padres, Flight Commanders and others and deal with a broad range of issues, providing a casework and advisory service to Service personnel, families, the chain of command and others. The service is provided under agreed rules of confidentiality between the service user and the worker, which, in simple terms, means that, with a few exceptions, anything told in confidence will not normally be passed to a third party without the individual's consent. The PS&SWS RAF does not provide the statutory social work service which is provided by local authorities in the UK and MOD contracted social work services overseas.

b. The PS & SWS RAF represents the RAF on LSCPs and at case conferences, working with and on behalf of other agencies as/when it is felt to be appropriate. 3 Reporting and Reviews

Reporting Child Safeguarding Incidents

1. All SPB member organisations and overseas LSCPs and Single Points of Contact (SPOCs) are to ensure that child³ safeguarding incidents in the UK and overseas are reported to the DCYP Global Safeguarding Team.
2. Incidents and circumstances that **are to be** reported are:
 - a. when a child dies (including cases of suspected suicide), and abuse or neglect is known or suspected.
 - b. when a child has been seriously harmed⁴ and abuse or neglect is known or suspected.
3. Reporting should also be considered:
 - a. where there was clear evidence of a risk of significant harm to a child that was:
 - (1) not recognised by organisations or individuals in contact with the child or perpetrator; or
 - (2) not shared with others; or
 - (3) not acted on appropriately.
 - b. where the case highlights or could highlight improvements needed to safeguard and promote the welfare of children, e.g. a child injured themselves in a MOD community setting.
 - c. where the case highlights or could highlight recurrent themes in the safeguarding and promotion of the welfare of children, e.g. the failure to share information which led to a child being at increased risk.
 - d. where the case raises or may raise issues relating to the safeguarding and promotion of the welfare of children in institutional settings, e.g. failure to respond appropriately to safeguarding issues in training establishments.
 - e. where the case highlights or could highlight concerns regarding two or more agencies working together effectively to safeguard and promote the welfare of children.
 - f. where one or more agency or professional considers that its concerns were not taken sufficiently seriously, or acted on appropriately, by another.

³ A child is defined as anyone who has not yet reached their 18th birthday. The fact that a child has reached 16 years of age, is living independently or is in further education, **is a member of the armed forces**, is in hospital or in custody in the secure estate, does not change their status or entitlements to services or protection (Working Together to Safeguard Children 2018).

⁴ Serious harm includes (but is not limited to) serious and/or long-term impairment of a child's mental health or intellectual, emotional, social or behavioural development. It should also cover impairment of physical health (Working Together to Safeguard Children 2018).

- g. where the child concerned was the subject of a child protection plan or had previously been the subject of a plan.
- h. where the case suggested that the SPB may need to change local procedures, or that protocols and procedures are not being adequately promulgated, understood or acted on.
- i. where there are indications that the case may attract media interest.

4. **Incidents in the UK.** The local authority where the incident occurred retains responsibility for conducting reviews. Where reviews involve Service families, cadets or Service personnel aged under 18 years the Safeguarding Partnership Board should be proactively engaged in supporting the local authority review and ensure any learning is transferred to the Defence environment. On behalf of the MOD, DCYP's Global Safeguarding Team provides oversight on all reviews.

Any SPB member organisation who is made aware of a review commissioned by a local authority that relates to Service families, cadets or recruits under the age of 18 are to notify the Global Safeguarding Team.

5. **Incidents Overseas.** The Global Safeguarding Team is responsible for oversight of all safeguarding incidents that occur overseas and for statistical reporting to the Department for Education. All safeguarding incidents overseas are to be reported to the Global Safeguarding Team using the SPB Safeguarding Incident Reporting Form at Annex B within 24 hours of the incident.

Rapid Reviews

6. Overseas Commands are required to undertake a rapid review of all serious incidents reported to the Global Safeguarding Team. If the location has a LSCP this should lead the review.

7. Rapid reviews should assemble the facts of the case as quickly as possible in order to establish whether there is any immediate action needed to ensure a child's safety and the potential for practice learning. Rapid reviews are to be reported into the Safeguarding Partnership Practice Review Group (SPRG) using the template at Annex C.

Allegations of a Safeguarding Nature

8. **Within the UK and Overseas.** The relevant local authority/devolved administration in the UK or the Local Safeguarding Children Partnership / DCYP's Global Safeguarding Team for overseas locations, must be alerted immediately to all cases in which it is alleged that a person who works with children has:

- a. behaved in a way that has harmed a child or may have harmed a child.
- b. possibly committed a criminal offence against or related to a child.
- c. behaved towards a child or children in a way that indicates they may pose a risk of harm to children.

Allegations of a safeguarding nature made against Defence personnel⁵, within the UK and overseas, must be notified to the DCYP Global Safeguarding Team who, on behalf of the MOD, will maintain a central record to enable oversight of all allegations. Notification to the Global Safeguarding Team is to be made in addition to the reporting processes currently within Defence, for example, the Reporting Concerns and Whistleblowing Procedures.

9. **Overseas.** In overseas locations the Local Safeguarding Children Partnerships (LSCP) are also to be notified of all allegations against Defence personnel. The Designated Allegations Officer (DAO) is responsible for completion and submission of the Allegations Management Notification Form. Where there is no LSCP, personnel are to contact DCYP's Global Safeguarding Team for advice on procedures; on receipt of a notification of an allegation, the team will support the coordination of safeguarding and investigative processes.

10. The Allegations Management Notification form at Annex D is to be used for all allegation notifications to the Global Safeguarding Team.

⁵ An exception to this is for the Cadet Forces which maintain their own records. Data is reported to DCYP through the H2A process.

Policy Statement

Defence has a duty of care to create a safe environment for its people, in line with current policy, legislation and practice. Safeguarding is everyone's responsibility.

Defence policy is regularly updated and is based on and compatible with national guidance for England and Wales, Northern Ireland and Scotland. The full policy for Safeguarding within the MOD is laid out in JSP 834

Safeguarding and protecting children and adults has three aspects:

- a. the creation of a culture in which people are valued and their right to be safe is upheld.
- b. the management of risk to minimise circumstances where harm may befall.
- c. taking appropriate actions to address concerns and working to agreed policies and procedures in full partnership with other local agencies.

To this end my policy applies to all Defence people, including dependent family members, where I am responsible for their welfare, safety and safeguarding. The guiding principles are:

- a. The safeguarding/protection of children and adults is accorded utmost priority and is the shared responsibility of all staff (paid and/or unpaid) within the Establishment *[insert title]*.
- b. Children and adults should be free to work, learn and develop their potential without fear of violence, abuse or exploitation. Within the Defence environment all people, irrespective of their age, gender, disability, racial origin, religion, belief and sexual orientation, will be valued and their rights to protection and safety fully respected.
- c. Defence will take all reasonable steps to establish that those whose work involves contact with children and adults do not present a risk to the wellbeing of the children and adults concerned.
- d. All suspicions and allegations of abuse or inappropriate behaviour will be taken seriously by Defence and responded to appropriately.
- e. It is the expectation that all staff should operate in accordance with the Department's duty of care responsibilities.

Procedures – Safeguarding Children and Adults
